Addressing Sensory Processing Disorders

A networking and training opportunity for ACCESS funded Centres

Speaker: Natasha Sansoni

Natasha has 10 years experience working as an Occupational Therapist with children, adolescents and adults with disabilities. She is currently working in a multidisciplinary private practice called Autism Central and has previously worked in Learning Links and Northcott Disability Services.

Natasha is passionate about continuing professional development and has extensive experience running workshops on Sensory Processing, Autism Spectrum disorders, Fine motor skills, posture, seating and positioning, supporting positive behaviour, integrating children with disabilities to preschool and school, play and positioning for babies to name a few.

LIMITED SPACES - Don't miss out on the opportunity to gain...

- A short overview of the different types of sensory issues children may face
- Lots of practical ideas and strategies to take back to the classroom
- Access to question time to specifically address challenges already encountered
